**NAVIGATING THE PRODUCTIVITY PARADOX:  
DIGITAL TRANSFORMATION STRATEGIES  
FOR GTA MANUFACTURERS**

**October 23, 2025**

5:30 PM-9:00 PM

Eastern Time

Join an exclusive gathering of senior technology executives—CTOs, CIOs, and innovation leaders—for a dynamic evening of networking, fine dining, and peer-led discussion in Toronto.

As manufacturers across the Greater Toronto Area face mounting economic uncertainty and stagnating productivity, this executive roundtable will explore how digital transformation can unlock new pathways to growth. Anchored by insights from Microsoft's Frontier Firm research and BDO Canada's Productivity Paradox and Momentum M&D reports, the conversation will spotlight actionable strategies to drive resilience and innovation.
