**Managing VMware Workloads to Drive
Organizational Transformation**

9:15 AM-9:45 AM

Organizations managing VMware workloads are increasingly turning to trusted partners to navigate the evolving landscape of virtualization and cloud computing, driven by rising VMware licensing costs and infrastructure scalability challenges. Join us to discover approaches to address on-premises VMware environments and how to optimize costs, enhance scalability, and modernize IT infrastructure with minimal disruption during migration.

CHAIR PANELISTS

Team Working Session

10:15 AM-12:15 PM

Simulating a realistic team environment and fostering collaboration, participants will work as a team to navigate a modernization use case. Participants can expect prescriptive and non-prescriptive guidance from migration & modernization experts to stimulate discussion, creative thinking, and technical problem solving.
