YOUR JOURNEY TOWARDS MODERNIZATION WITH AWS

December 12, 2023

5:30 PM-9:00 PM

Eastern Time

Modernizing your business is accelerated through cloud. Learn from industry experts how cloud enables businesses to rapidly start bringing value from corners you might not have considered, from data to sustainability. We discuss how mid and large enterprises before you have found new ways to create income streams through modern data and AI/ML platforms, while staying fully in control of cost and carbon emissions.
