THE INNOVATION TRIANGLE: AWS CLOUD, GENAI, AND THE POWER OF STRATEGIC PARTNERSHIPS

August 12, 2025

5:30 PM-9:00 PM

Eastern Time

In a market flooded with AI experiments and short-lived pilots, true business value comes from building with purpose — and with the right partners. Join us for an exclusive roundtable conversation exploring how AWS cloud, GenAI (powered by Amazon Bedrock) and strategic collaborations are redefining product-market fit and operational impact
