FROM LEGACY TO LEADERSHIP: ACCELERATING GROWTH IN A DIGITAL ERA

August 21, 2025

11:30 AM-2:00 PM

Australian Eastern Standard Time

Join an exclusive roundtable luncheon for executive leaders in Sydney, where we explore how business-led modernisation can be a true differentiator in today's competitive landscape. This session brings together digital leaders from Australia's most ambitious enterprises and scale-ups. We'll discuss how cloud, data, and secure modern architectures enable organisations to scale into new regions, optimise operations, and build lasting trust with customers.. Through peer exchange and expert facilitation, you'll gain actionable insights on aligning technology transformation with your business goals, fostering a culture of innovation, and unlocking new opportunities for sustainable growth
